---

### **Deep Cultivation · Nonferrous Metals**

Based on metal manufacturing and trading as the cornerstone of industrial development, Xinghai Group continues to gather and export high-quality metal raw materials for the market, with two major domestic and international trade centers, engaged in domestic international trade in copper, aluminum, zinc and other non-ferrous metals, the business scope covers the world, and the turnover has exceeded one hundred billion yuan for the past three consecutive years.

Foshan Xinghai Copper & Aluminum Industry Co., Ltd. under the group was awarded one of the "Top 500 Private Enterprises in China in 2023" (ranked 243rd), as well as one of the "Top 100 Private Enterprises in Guangdong Province", "Key Supported Large-Scale Backbone Enterprises

in Guangdong Province", and "100 Outstanding Private Enterprises in Foshan".

In addition, the new material characteristic park was actively built: Xinghai (Qingyuan) Industrial Park. It strengthens the cultivation and development of emerging industries, promotes the clustering of secondary and tertiary core pillar industries in the park, and provides new power support for the high-quality development of the regional economy.

For the depth of the extension of supply chain services, the Group cooperates with the Nanhai District and Dali Town governments to operate the "Guangdong Yuehui Metals Trading Center" (formerly Guangdong Non-ferrous Metals Trading Platform), while carrying out metal-based trading business, supplemented by agricultural products. By 2023, the cumulative trading volume of platform has exceeded RMB 2 trillion, which continues to promote the extension of the metal industry chain and build a new ecosystem for industrial development.
